

Aon Risk Solutions – MCA Alberta's Preferred Insurance Broker

After a comprehensive review of the most competitive insurance programs available in the marketplace, MCA Alberta selected Aon as both its recommended insurance and surety broker. Through the MCA Alberta, Aon is pleased to offer a brand new insurance program, with exclusive member-only benefits and discounts.

MCA Alberta members will receive a 10% discount on insurance premiums over non-members (from the program insurers) as well as up to a 10% return on property insurance premiums based on good loss experience.

What's covered?

Aon's insurance program was created with mechanical contractors in mind, complete with dedicated coverage and enhancements designed for your business risks. The policy wordings themselves were even **designed and written by Aon** whereas the vast majority of mechanical contractors have insurer designed and written policies in place.

Lines of coverage include:

- General liability
- Umbrella liability
- Boiler and machinery
- Directors' and officers' liability
- Automobile
- Property
- Builders' risk
- Surety/bonding
- Crime
- Installation floater

About Aon

Aon is Canada's largest and most experienced construction broker and risk advisor. Our market share includes:

- 2,400 construction clients across Canada
- 100 mechanical contractor clients across Canada
- Aon places approximately 25% of all insurance premium written in the Canadian construction marketplace (which is the largest clout in the industry)
- Aon places approximately 23% of all bonding premium written in the Canadian construction marketplace (which is the largest clout in the industry – three times more than our largest competitor)
- Aon is able to use this market leverage to secure significantly better bonding terms and conditions without having to jeopardize contractors relationships with their current bonding company
- Aon manages approximately 90% of the subcontractor default insurance programs in Canada (contact us to find out how this can assist your mechanical contracting firm)
- The Aon/MCA Canada program alone has approximately \$6,000,000 of premium supporting it which gives us a very large voice in the industry when it comes to rating negotiations, claim settlements, etc.
- Aon is involved in over 80% of all public private partnership (P3) projects in Canada
- Aon's National Construction Practice comprises over 150 dedicated construction and infrastructure professionals
