

Legal protection for your business is vital.

So is having options.

**Choose
the right
protection
for your
business!**

Expected and unexpected legal matters come up every day. You know your business needs legal protection, but you want to make sure you get the right amount. LegalShield has the answer.

We offer three levels of legal protection to fit different sizes of small businesses. That way, you only pay for what you need. Whichever plan you choose, we help your business with legal matters, from consultation and contract reviews to debt collection and more. And since your dedicated law firm is prepaid, its sole focus is on serving you rather than billing you.

Get the level of legal protection your company needs and get the peace of mind you deserve. We give companies like yours access to big business resources on a small business budget.

Why LegalShield?

At LegalShield, we've offered legal plans for over 45 years. We're dedicated to creating a world where everyone can access and afford legal protection. Expected and unexpected legal questions arise every day, and with LegalShield on your side, your business will have a dedicated law firm in its corner. LegalShield also provides employee benefits, giving your employees the choice to carry personal legal and identity theft plans.

Small Business Services Include:*

- Legal consultation on an unlimited number of business matters
- Debt collection assistance
- Contract and document review
- Legal correspondence

Advice and Consultation

Phone consultations with your law firm for business legal matters, even pre-existing matters.

Designated Consultation

Schedule a 30-minute consultation with your provider law firm for advice on more complicated business issues such as copyrights, trademarks, patents, import/export or customs issues, or other matters that arise within Canada but outside the province or territory of the established principle place of business. Three (3) designated consultations are available per membership year.

Legal Correspondence

Let your law firm execute letters or phone calls each year for the business with one follow-up letter per subject matter up to six calls or letters in any one month.

Debt Collection

Protect your company against the most common legal problem facing businesses. Let your law firm send collection letters on your behalf.

Document Review and Consultation

Rest assured knowing everything is accurate and in writing for clients, employees and more. Your law firm will review up to six (6) documents per month, up to fifteen (15) pages each.

25% Discount

Services for litigation and other legal work within the province or territory of the established place of business for the member are available at a 25% reduction from the law firm's usual corporate hourly rate.

Who is eligible for the plan?

Small Business Plans are available to for-profit businesses with 100 or fewer employees. Companies with publicly traded stock are excluded. The owner may choose to purchase the plan that best meets their needs as long as the number of employees does not exceed the number covered by the chosen plan.
